

VELVET ROPER

Urbane Cowboys at the Art Production Fund Urban Hoedown

BY DANIEL D'ADDARIO

Last night's Art Production Fund Urban Hoedown saw a bunch of New York socials dressed in John Wayne drag. Who pulled off plaid-and-ten-gallon-hat the best?

(From L to R) Vladimir Restoin Roitfeld is the man in the black hat with Giovanna Battaglia in prairie-skirt realness; Renee Rockefeller and Liam Culman sport complementary shades of brown. Pippa Cohen sports a cowboy hat with Nicholas Rytting.

(From L to R) Ellen von Unwerth reclines on hay bales; Performers re-enact Madonna's "Don't Tell Me" video.
