### Zoe Buckman, GRAB 'EM BY THE BALLOTS sticker at the Brooklyn Museum's Anger Management Pop-Up Shop

Zoe Buckman is one of over 70 artists who Andrianna Campbell and Marilyn Minter enlisted to make work for a resistance-themed pop-up gift shop at the Brooklyn Museum. Her contribution, a sticker referencing Donald Trump's crude remarks about being able to sexually assault women, speaks to the power of voters in our democratic system. (For those with a slightly higher budget, the artist is also selling limited edition embroidered versions of her piece Champ, featuring ovaries with boxing gloves, for \$1,500 from Art Production Fund.)
