Where were you born? YFV: In Jersey, but raised in Key West. DR: In Jersey, but raised in Cincinnati. **Where did you two meet?** At the Rhode Island School of Design. **What do you all have in common?** We all believe in broadening the audience of contemporary art by bringing pivotal projects to the public realm. Casey is a former intern turned director of our organization. Jessica is on our board. We produced an art project with Aaron. Jane is a patron, and Marilyn has made towels (via Target) and T-shirts (via GAP) with APF to raise funds for our mission! **Where do you hang out in New York?** Home, our office in the Saatchi & Saatchi Building, our new space at Soho Mews on Wooster, incestuous art events, and alternatively, the spiritual havens Shri Yoga and

the Kabbalah Center. **Where do you dine?** Neighborhood spots and wherever we're invited to join for gallery dinners.
